PRODUCTS...

The Big Cook: Have fun with friends and fill your freezer with delicious, nutritious main-course meals! Never face the "what's for dinner" dilemma again. Prepare up to 200+ meals in one day to enjoy over the next three months. This is more than another cookbook, it is a cooking concept that will revolutionize your dinner preparation. For more information visit thebigcook.com. Available at Chapters, Indigo, and McNally Robinson stores.

Christmas Ornaments: Beginning November 30, Wal-Mart and Breakfast Clubs of Canada are spreading a message of love, peace and abundance by offering unique Christmas ornaments in order to raise money for school meal programs across the country. Select from three ornament designs for only \$2.99 a piece to help thousands of children get a bright start to each school day.

The Comfy Easy PC: Designed for toddlers, this keyboard has large sturdy buttons perfectly designed for busy little hands and fingers. Instead of numbers and letters, the keyboard's 20 keys feature color, music, weather and Comfyland-character buttons. For more information visit comfylandnorthamerica.com. Available at Chapters, Sears Retail Stores, and Toys to Inspire.

SnapTV Games: SnapTV Games has introduced a series of games based on the best-selling children's books from Scholastic. The stories of Clifford the Big Red Dog and I Spy Treasure Hunt and Spooky Mansion have been adapted into educational and entertaining DVD games for children ages four and up. Visit snaptvgames.com for more information. Available in retail stores.

WonderChess: Innovative, award-winning WonderChess is the first chess teaching kit with prize-fillable pieces plus a ten-lesson illustrated book. Children learn the game of Chess while claiming small prizes from jelly beans to coins that can be hidden inside each captured piece. Designed for children ages four and up. Available through chapters.indigo.ca.
